**LETTER OF WARNING**

Dear Mr. Foley:

RE: Positronic Industries, Inc.  
Springfield, Missouri  
Air ID No. 29-077-00236

On January 30, 2015, Positronic Industries, Inc. submitted a letter to our office documenting failure to comply with the initial notification and subsequent reporting requirements of 40 CFR Part 63 Subpart WWWWW. Your submission included a copy of the recently prepared Initial Notification document as well as the past due Notification of Compliance Status and Annual Compliance Reports.

We have reviewed the documents you have submitted to our office and have decided that no further action is required at this time.

Please note that your correction of the above violation does not prevent EPA from pursuing appropriate enforcement action, including penalties, for any additional violations discovered. The penalties sought within such an enforcement action can be up to \$37,500 per violation per day of non-compliance.

Please direct all questions concerning this letter to me at (913) 551-7533 or [bertram.gary@epa.gov](mailto:bertram.gary@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Bertram", is written over a horizontal line.
